

WINTER FLOWERS, or so they appear to be. But it is just snow clinging to budding leaves on the trees. Pretty stuff, isn't it but it would be nice if Dame Nature would make up her mind and decide if it is to be spring or winter. (Graphic Newspapers photo)

Santoro Prepares For Quadrennial Years In Frankfort Township

August J. Santoro, attorney and Frankfort Township assessor, recently attended a three-day school for assessors held at Peoria. At the end of the class work, the assessors took an examination covering the basic laws and procedures of real and personal property tax assessing in the State of Illinois. Santoro has been awarded two certificates evidencing his passing both the Basic Course No. 1 and the Basic Course No. 2, which were studied.

Mr. Santoro announced that every home in Frankfort Township will be re-measured and re-assessed this year, 1967 being the year for the quadrennial assessment. Thru the cooperation of the township board, he has been able to employ four deputy assessors, who will work the entire summer performing this task. All the men hired to do this work are college graduates, and Santoro feels that the best chance of doing the job correctly is by educated and well-trained people. Two of the deputy assessors hired have had one full year's experience measuring and classifying real estate in New Lenox Township under Frank Clark, the new assessor there. It is hoped that thru using the same personnel, the assessments in these neighboring townships will be equalized, Santoro said.

In addition to measuring the homes this summer, residents will be asked questions concerning the number of rooms in a home, whether basements are finished or unfinished, the age of the home and the owner's opinion of the fair market value.

Restaurant Fire At Orland Park; \$3,000 Damage

Fire at the Grand Coffee Shop, 143d and LaGrange Rd., Orland Park, Monday night caused damage estimated at approximately \$3,000 by Fire Chief Arthur Granat.

The blaze is said to have started in a grease chute and while the blaze was extinguished quickly there was a lot of smoke damage as well as from fire. The alarm came in at 6:46.

This information is needed by the assessor so that extras a home contains or does not contain can be added or subtracted from the assessed value. The age of the home is very important so that its value can be depreciated accordingly, it was said. The deputies measuring the homes will be required to classify its condition, which adds or detracts from the assessed value. Other factors, such as location, lot size and desirability of the type home are taken into consideration in arriving at an assessed value.

In addition to making the real estate assessments this year, it is Santoro's duty to gather the township's farm statistics, sell the dog licenses to those people living outside the incorporated areas and make the personal property tax assessments. He urges the residents of the township to read their personal property tax schedule carefully when they receive it, and if they feel a mis-

take has been made, to bring it to his attention immediately so that a change can be made without the necessity of paying taxes under protest.

200 Attend Open House At Mokena Library

More than 200 persons attended the open house held at the new Mokena Public Library Sunday, April 23. A special guest was Miss Dew Dalley, president of the Joliet Library board and of the Bur Oak Library System of which Mokena is the newest member.

Approximately 80 library cards were issued Sunday, and many more were taken home for completion.

The library is now officially open for business and area adults and children are invited to stop in soon.

Hours are Tuesday thru Thursday 2:30 to 4:00; Friday 7:00 to 9:00 p.m. and Saturday 10 a.m. to 5 p.m.

VFW Posts To Hold Annual Loyalty Day Program At L-W

The annual Loyalty Day program, sponsored by the Veterans of Foreign Wars posts of New Lenox and Mokena, will be held May 1 in the Lincoln-Way High School.

The program is to begin at 10 a.m. and will be carried over Radio Station WJOL of Joliet.

According to Harold Dailey, of New Lenox, chairman of the program, the principal speaker will be Circuit Judge Michael Orenic, of Joliet.

Judge Orenic is a student of American history and a member of several historical groups and a staunch advocate of the principles on which this government was founded.

He will be introduced by State's Attorney George Sangmeister, of Mokena.

Loyalty Day was established many years ago by the Veterans of Foreign War to combat the propagan-

da mills of the Reds and Pinks.

Dailey points out that from the publicity the draft card and flag burners have been receiving and the spread of Communist front organizations in colleges and the hate America campaigns fostered by intellectual riff-raff, observance of Loyalty Day is most important.

Mokena Firemen Plan Card Party and Dance

Mokena Volunteer Fire Department members are planning their annual pinocle party and dance. Both events will take place in the Veterans of Foreign Wars hall on Wolf Rd., Mokena.

The pinocle party is scheduled for May 13; the dance will be held May 20.

Tickets covering both events are in the mail. They cost \$3 and each ticket will serve a family.

MRS. JOSEPH BERNARDIN (seated) presided over the refreshments, provided by wives of the trustees, served at the open house of the Mokena District Public Library last Sunday. She is flanked by her husband, Joseph Bernardin, a member of the library board, and Mrs. George Sangmeister, whose husband also is a board member. The library officially opened Tuesday, April 25.

Expect Bids In Late May On U. S. 45 Interchange

Bids on the cloverleaf interchange of I - 80 and U.S. 45, just east of Mokena are scheduled to be taken May 26 at Springfield, according to reports from usually reliable sources.

This report was gratifying to members of the Orland Park village board as well as officials of Frankfort and Mokena.

Several months ago when it was stated at Springfield that I - 80 would be open to traffic next fall between Hazel Crest and Joliet, it was indicated that some of the interchanges might not be ready by then, especially at U.S. 45.

Since then, however, more federal funds have been released and it is expected the interchanges will be built. Dec. 8 was recently designated as the target date for opening traffic on I - 80 on the section formerly known as "the missing link."

Whether the U.S. 45 project will be ready then is a guess it was pointed out that if a contract is awarded in early June the work should be well on the way, it was said, by the time the highway is ready.

The interchange at U.S. 45 is a considerable project, it was pointed out, because that north and south highway is being moved westward between 179th and 191st. There are a lot of underground cables in the locality because of the location of the WLS transmitting station and for that reason, plus the fact that engineers want to carry U.S. 45 over the Rock Island tracks instead of under them as at present, makes the move necessary.

The present underpass on U.S. 45 gets filled with water or snow after heavy storms and becomes unpassable.

There has been considerable controversy over what to do with the present underpass. Local officials would like to have it remain so it could be a part of a service road system that would serve several landowners east of U.S. 45 and north of 191st

Street. As far as is known no final decision has been made.

Will County has to build a road thru on 80th Av., which is where the Frankfort Gun Club is located. This will give access to 183d St. and serve travelers between Mokena and Tinley Park. The road by the bowling lanes, 76th Av. is to be closed, and unless 80th Ave was opened travel between Tinley and Mokena would have to be via U.S. 30, 167th or 159th.

The Orland Park Village board has been pushing for construction of an interchange at U.S. 45 as this would also be of great benefit to that community, it was pointed out.

Work is progressing on the interchange with I - 80 and U.S. 30, west of New Lenox.

Will Pick Teen Queen For July 4th Festival

Mokena area girls have been invited to enter the teenage contest to be conducted as part of the annual Fourth of July Festival sponsored by the Lions Club.

Entrants must reside in the Mokena area and range in age from 16 to 19.

Girls may register at the real estate office of Leo Marcoux on Front St. He is chairman of the committee in charge. If unable to get in touch with Mr. Marcoux one may call William Cady.

First prize will be a 16 by 30-inch oil portrait from the Behnke Studio.

what is your potential?

When you think deeply about it from a religious standpoint, you begin to wonder -- can anyone really measure man's potential, or put any limits on it? Can you measure God's love for His creation? No. But we can learn to let it mold and fill our lives. Hear this public lecture, "What Is Your Potential?" by JANE O. Mokena VFW, Aux. Elect Staffs: To Install May 27

Robert Merrick, who is employed in the real estate division of Standard Oil, has been elected commander of William Martin Post, No. 725, veterans of Foreign Wars, at the annual election held in the Mokena VFW hall. He succeeds Allan F. Lawson.

Other officers elected are: Charles Burkhardt Jr., senior vice commander; Arthur Sitzberger, junior vice commander; Leonard Balek, quartermaster; Ben Sluis, chaplain; Fred Guendling, adjutant; Jack Hennard, officer-of-the-day; John Gaszak, surgeon; Al Albor, judge advocate, and Allan Lawson was named a trustee for a three-year term.

At the same time the Woman's Auxiliary also held its election. The officers chosen for that body are: Helen

Karlson, president; Patricia Larsen, senior vice president; Helen Gaszak, junior vice president; Matilda Stankus, chaplain; Josephine Raiser, treasurer; Janet Gaszak, conductress; Dorothy Hamstress, guard; Olive Williams, patriotic instructor; Margaret Seal, secretary; Nola Kohl, flagbearer; Alice Grybash, banner bearer; Lillian Conway, Arlene Raiser, Dorothy Bell and Dolly Mattsey, Colors; Nettie Shanks, historian, and Alma Peterson was elected to a three-year term as trustee.

A joint installation of officers will be held Saturday, May 27, at 7:30 p.m. in the VFW Hall. Margaret Seal will be the installing officer for the Auxiliary.

Clean-Up Days May 8 & 10 At Orland Park

Dates for the annual clean-up days at Orland Park have been announced by Trustee Henry Moorehouse -- May 8 and 10.

On May 8, which is a Monday, the trucks and loading crews will work the area west of U.S. 45. On Wednesday, May 10, that portion of the village east of U.S. 45 will be visited.

The crews are prepared to pick up anything that is left at the curb, so those who can get old stoves, old refrigerators, old hotwater tanks and other junk that far will have it picked up and hauled away for free.

The announcement is made early, Moorehouse said, so householders can prepare for it and start their hunt for junk thru attics, basements and garages.

List Scores, Banquet Date Of Bowling Team

JAMES PEYTON
Telephone: 532-1516

The Tinley Gardens Girls Bowling teams have had a lot of fun this year as well as good wholesome entertainment and so now plans are being made for a banquet after the season is over and the tentative date is June 2. We hope that you girls have a nice evening and that next year you will have even more participating with you.

The Girls Bowling Standings are as follows:

High Team #3-Three Pins -1006; High Game - Bonnie Schultz - 153; High Series - Jackie Gunn - 409.

Team Totals To-Date:

Team # 2 - Lucky Strikers; Team # 1 - Spares; Team # 3 - Three Pins; Team # 4 - Question-marks.

We offer our sympathy to our friends and relatives who live in Oak Lawn, on the aftermath of the most devastating tornado in the history of this area. Many of us here in Tinley Gardens have relatives there and of course we have all experienced tornadoes right here in our own homes and can realize the agony and

frustrations that these people are going through now. Now to add insult to injury we get 2 inches of snow to hamper the rescue work and the clean-up in the area. There are approximately 20 people still missing in the area and one of these is a very distant relative of yours truly and we hope that these people will be found elsewhere and not under the rubble left by the tornado.

-o-

Now to get back to more joyful experiences. Beckie and I attended the School Board dinner April 18th at the Joliet East High School where Norman Ross was the principal speaker, and he gave a terrific speech about his last trip around the world, and Boyd Bucher the County Superintendent of schools had the honor of introducing all of the special guests which included State senators and high county officials. We also had Superintendents of the Tri County area because of the Jr. College and the dinner that was served as well as the entertainment was exceptionally good. I would also like to thank the Arbury Hills group and Mr. William Avilla for

thr 100% turnout of our district. All told there was 520 people attended this dinner.

-o-

Congratulations to the people of Tinley Gardens who have just had Gas Lights installed as it helps in many ways to cut down on vandalism and give the local people a chance to be able to walk outside at night while visiting neighbors.

-o-

We are proud to announce that Michael Tate, son of Mr. and Mrs. George Tate, Frankfort Township Supervisor has progressed sufficiently to be allowed to come home. Welcome home, Mike, and we hope that your complete recovery will be speedy.

-o-

Last week I announced that Joey Penn was delivering the Chicago Sun - Times and now I can add that he also will deliver the Chicago Tribune so if you want either notify Joey Penn.

Mr. and Mrs. Julius Sandy were honored this past weekend with a phone call from their son Seaman Richard who is back in Florida again before leaving on his six month cruise.

Sandburg Track Team Caught In Tornado But Boys Escape Hurt

Some 50 Sandburg High School students, members of the track team with Coach Robert Gadt and fans, escaped injury in the tornado that struck Oak Lawn late Friday afternoon.

There were but two events left on the program when the storm approached. Coaches hurried the students inside the building into an interior hall and away from the gymnasium, the big roof of which made it an extremely hazardous shelter in a twister.

The students heard the roar of the tornado and the crashing sounds that came when the gym roof was wrecked but they remained safe and unharmed in their sheltered retreat.

When the twister passed and a count revealed all of the Sandburg contingent was safe and present, and

their bus undamaged, Coach Gadt, head track coach and recently elected to the Orland Park Grade School board, promptly loaded his charges in the bus and took off for home.

Had the group not left promptly it probably would have encountered considerable delay before getting out of the area. As it was, parents who were greatly concerned when they heard of the tragedy at Oak Lawn, were relieved of their anxiety.

Who won the track meet is a question that probably will go unanswered. All the records for the various events went with the wind, clipboards and all, so it probably will go into the records as "no meet."

Sangmeister Hits Charity Rackets

In cooperation with Attorney General William G. Clark, State's Attorney George E. Sangmeister has enacted a local plan for the County of Will to protect its citizens from fraudulent charitable solicitations.

Any resident of the County who is skeptical about a solicitation, either by mail or in person, is to call the State's Attorney's office, 726-4483, Ext. 50-51-52, and the list of registered Charities will be checked. If the charity is not listed, a further check will be made with the Attorney General's office.

"I am sure that all of us have been moved by a brochure received in the mail showing a crippled child who is in need of help, or received a necktie from a crippled veteran, and have wondered if we support the solicitor are the funds reaching the needy person, Sangmeister said. "The 'Charity Hot Line' of a phone call to the state's attorney's office will provide the answer and may well expose a fraudulent operation."

Re-elect Robinson President Of Board

Norval Robinson was re-elected president of the Mokena school board at the reorganization meeting, April 11.

Fremont Warning was elected secretary succeeding Robert B. Schutte who did not seek re-election.

Members seated were Norval Robinson, an incumbent, Charles Burkhardt, and James Tilsy, all for three year terms.

During the canvass of the election it was found that there were a few voters who were not registered voters. It was agreed that a closer check of this should be made.

The board set the first Tuesday of each month at 7:30 p.m. as its regular meeting date at Willowcrest School. Adjourned meetings will be conducted on the third Monday. The following committees were appointed by Robinson: Education evaluation, Edwin Yunker, William Mutsch, and James Tilsy; Budget, William Mutsch, Fremont Warning, James Tilsy; Salary, Fremont Warning, Willard Barenz, Charles Burkhardt; Building, Edwin Yunker, Charles Burkhardt, Willard Barenz.

Mokena State Bank was designated as depository, and the fiscal year was set as July 1 to June 30.

The board approved the calendar for the 1967-68 school year. School will begin on August 31 and close on June 7. Christmas vacation will be from December 23 to January 3, and Easter vacation will be April 12-22. The calendar calls for four teacher institute days, seven legal holidays and 181 pupil attendance days.

In other business the board reviewed the life safety survey of Carpenter Street School with Architect Watson Healy of Healy Moore Associates. This survey is required by law for all buildings built before 1955. After the survey has been completed, it will be filed with Boyd Bucher, county superintendent of schools. All recommendations for remodeling to meet code requirements must be com-

pleted in three years. The law permits the board to levy five cents per \$100 of assessed valuation for three years to pay for all necessary remodeling.

The board hired Mrs. Kenneth Heim as a school secretary for the 1967-68 school year. They also instructed Supt. James Ennis to hire a school custodian to begin on June 1.

Downspouts Hooked To Sewers, Private Water Lines Taboo

Letters notifying Mokena residents whose downspouts are still connected with the sanitary sewer to have such connections cut, have been sent out by the village board. There were 21 such letters sent.

Letters also were sent out at notices to water users still connected with private service lines--mostly small affairs--that they must hook up with regular village mains by June 15.

Tapping on village mains requires a permit, obtain-

able at the village clerk's office, 19333 Wolf Rd., and the work must be done by a licensed and bonded plumber.

Water users also were reminded that water service lines from the corporation cock to the home or business including buffalo boxes at the edge of private property, are the responsibility of the individual user.

All private water lines will be shut off at the main on June 15, the letter states.

Band Parents Plan More Fund Raising

The Lincoln-Way Band parents met at the High School on Monday, April 10, at 8 p.m. to discuss ways and means of acquiring more funds for the Band students Denver trip, which is to take place on June 12. The calendar of events are as follows:

April 28 at 8 p.m., a card party will be held at the Frankfort Veterans Memorial Hall. Lovely prizes will be given to the highest scoring player.

A delicious fish fry dinner will be sponsored by the Vets before and after the game. Tickets may be purchased at the door for \$1.00. Chairman for the card party is Pat Guzik, and ticket chairman is Emma Simpson.

April 30, from 12:00 to 4:30 p.m. a roast beef and ham dinner with all the trim-

mings will be held at Lincoln-Way high school. Tickets are \$1.75 adults, \$1.00 grade schoolers, and 25¢ for pre-schoolers, which will be sold at the door. You may make reservations and buy your ticket before hand by calling the chairman, Meredith Brown at 485-2231. Please all band parents, volunteer your services for this event.

May 14, if weather permits, or on May 28, at Lincoln-Way High School, at 2 p.m., the Glen Ellyn Rocket Research Society will display their scientific talents in blasting a variety of rockets into space. Every step will be explained by the MC through loud speakers. Notice as to whether there will be a charge will be decided later.

Arbury Hills

Civic Association To Hold Second Fund Raising Dance

MRS. EDWARD HOVI
Telephone: 479-5740

The Civic Association is holding their second annual fund raising dance at the V.F.W. Hall in Mokena on Saturday evening, June 3. The net proceeds from this dance will be used to provide Arbury Hills with permanent type street signs to replace the wooden signs now in use.

The new street signs together with the newly installed large road map of Arbury Hills at the Willow Lane entrance, will enable visitors to find any house in our area without the usual difficulty now encountered.

The Summit Hill Cub Scout Pack Number 10 will have their monthly pack meeting at the school this Friday evening, April 28, beginning at 7:30 p.m.

The theme for this meeting is Mountains in the United States. The boys are to

have exhibits dealing with this subject, which they have prepared in their dens during the past month.

Don't forget the Clean-Up Day which is sponsored by the Arbury Hills Civic Association. It is to be held this Saturday, April 29.

This service will be provided free of charge to all those households whose residents are members of the Civic Association. There will be a charge imposed upon residents by the Company of all those who are not members of the Civic Association. This is necessary, since there is a charge to the Civic Association this year for the pick-up service. The minimum charge will be \$2.00.

If you wish to place your membership now, please contact: Mr. Herman Veltman at 479-5242, Mr. Len Gunty at 479-5345, Mr. Al Dornseif at 479-5670; and Mr. Joe Farnham at 479-

9354.

The pick-up service will take all disposable articles, so clear out all the cubbyholes. It would be appreciated, if the man of the house would assist the workers in the loading of their own trash.

All those residents who live in front of the prairies are asked to try to bring out all the trash which has been dumped in the prairies to the roadway to enable those hazards to be picked up. The ground is much too soggy to permit the trucks to drive into the open land to load the trash.

The Arbury Hills School will hold a Gym Show on Friday evening, May 5, at the school, beginning at 7:30 p.m. Be prepared to come early since there is a limited seating capacity. There is no charge for the performance.

The program will include children of the school from

the third grade up, and will include wrestling, cheerleading, weight lifting, tumbling, high jump, rope climbing and different dance forms.

The eighth grade graduation trip to Springfield will be held on Friday, May 26, and the eighth grade banquet will be held at the Silver Lake Country Club on Thursday, May 31. The all-family picnic will be held at the Mokena Community Park on Saturday, June 3, and the eighth grade graduation will take place on Saturday, June 10.

The honor roll is set up for the preceding marking period for the sixth, seventh, and eighth grades.

For High Honors for eighth grade: Ruth Terracina, Russell Dickerson, Jan Mashmeyer, Brenda Allred, Claudia Cullison, and Laura Lilvik. For Honors: Tom Tanis, Jan Karkos, Larry Larsen, Scott Manske, Beverly Cooper, and Jim Woods.

For High Honors for seventh grade: Jeff Lkein, Gaye Terracina, and Judy Wenk.

For High Honors for sixth grade: Al Behnke, and Steven Peterson. For Honors: Gayle Dougherty, Leah Cullison, Jeralyn Ferro, Debbie Forthune, Ed Heise, Susan Kilgore, Marlene Miuccio, Lisa Monson, Carol Pulver, Steve

Smith, and Blake Tekotte.

The next meeting of the Arbury Hills Boys Baseball League will be held at the school on Tuesday evening, May 9, beginning at 8:00 p.m. The meeting is open to all who are interested in helping out in the baseball program this year. There is always room for more help.

The annual opening day festivities for the baseball season will commence with the Parade on Sunday afternoon, May 28. There will be four trophies this year which will include a separate one for just Fire Departments.

On the day of the parade, the people are asked to remove their cars from the street along the parade route. There will be no parking signs posted on the necessary streets.

Following the parade there will be a double header baseball game played at the baseball field. Plan on attending the full day's activities.

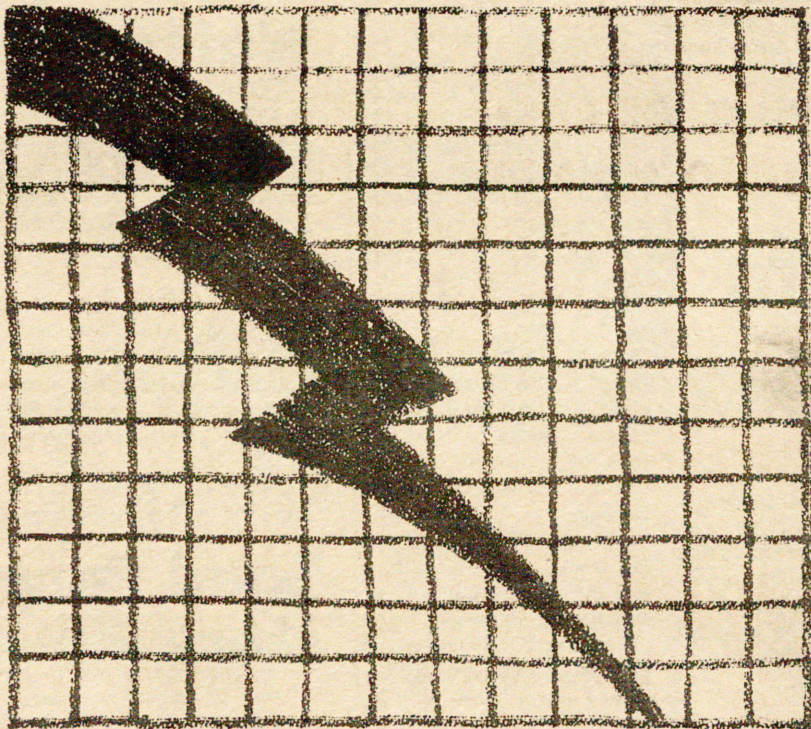

Any businesses or organizations wishing to participate in the parade are asked to contact Mrs. Joan Cumbee at 479-5379 before the deadline date of May 20.

On Saturday morning, May 13, beginning at 10:00 a.m. all the dads are asked to come down to the baseball field to help out in a clean-up program. There is always an abundance of broken glass and general trash accumulated during the off-season which must be cleared before the games may be safely played.

The boys of the teams will be circulating baseball decals from house to house at a charge of \$1.00 each to help raise additional funds for the equipment fund.

Reduce electric rates \$3,500,000 on April 1st? Whose bright idea was that?

Ours.

APRIL 1, 1967

Sometimes our bright ideas surprise even us. Like, who'd ever think, in this day of soaring costs, anybody could lower the price of anything?

But, we've done it. Again.

Just like last year. This April 1st, electric rates were reduced \$3,500,000, bringing the total annual savings to our customers to \$35,500,000 in five years.

Commonwealth Edison Company

The bright new ideas are Electric.

KATHLEEN GLENN -- Mr. and Mrs. Robert Glenn, 119 Inner Court Dr., New Lenox, announce the engagement and forthcoming marriage of their daughter, Kathleen, to Michael Delaney, son of Mr. and Mrs. James Delaney, Hill Ave., Frankfort.

Both are graduates of Lincoln-Way High School. Mr. Delaney is presently a Senior at Northern Illinois University, DeKalb.

Kathleen attended Northern Illinois University for two years, and is now employed by Illinois Bell Telephone in Joliet.

A June 17 wedding is being planned in St. Jude's Church in New Lenox, at a 2 p.m. ceremony.

Arbor Day this year is Friday April 28. It's our official day to recognize the value of trees in our communities. It's the day to put into action our resolutions about improving some of the bleak new developments that we see as we whizz along our new fast expressways.

Of course we're all looking for the perfect tree. One

that grows fast, is beautifully shaped, demands little care, and is also free from major plant diseases and insects. Actually there is no such plant. You will find a tree with some of these qualifications but not all of them.

Plants are living things that are subject to many unfavorable conditions. You never know for sure what problems may develop. For example, not many years ago, no one expected Dutch elm disease to cause such a heavy loss. Nevertheless there are many good trees

that can beautify our communities. We can classify them according to shape: globe, oval, pyramidal, vase, columnar, and weeping.

Among the most attractive globe - shaped trees for this area are the Arnold Crabapple and the small Globe Locust which grows to about twenty or thirty feet high.

Pyramidal shaped trees usually grow a little larger and thus make good specimen trees. Some examples are the Mountain Ash, Pin Oak and the Little leaf Linden.

Vase shaped trees like the elms are among the tallest trees. For example the Hackberry grows to 55 or 65 feet, the Morain Locust to 75 or 85 feet and the Sycamore 50 to 60 feet.

Slender column shaped trees are not too common. Usually one thinks of the undesirable Lombardy Poplar. However, there are several narrow forms of well known trees such as the Ash, Sugar Maple, Mountain Ash, Hawthorne and the Ginkgo.

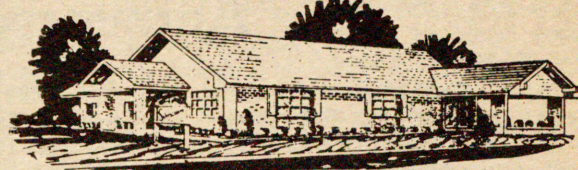

Weeping is one of the most favored forms of trees. The

slightest breeze puts their branches into a graceful motion that gives a psychological cooling lift to a hot summer day. Although the willow is often used, there are many other good weeping trees. It must be remembered that willows break down easily in small storms and they become quite large for small city lots. Consider some of the weeping

crabapples such as Red Jade or the Cutleaf Weeping Birch that grows 25 to 35 feet high.

This Arbor Day consider not only speed of growth, size, cleanliness of the tree, but also its shape.

Providence Chaplain To Celebrate 25th Anniversary May 2

The Rev. Joseph L. Adam, pastor of St. Stephen's Church, Joliet, and chaplain of Providence High School, will mark the 25th anniversary of his ordination to the priesthood on May 2.

He will celebrate his Jubilee Observance Mass on Sunday, April 30, at St. Stephen's Church, 456 Youngs Av., Joliet, at 11:30 a.m.

A reception from 2 to 5 o'clock will be held that afternoon in S.S. Cyril and Methodius School Hall, 701

Henderson Av., Joliet.

Observance of Father Adam's jubilee at Providence will be on Friday, May 5, with the celebration of mass for the entire student body.

Born in Chicago on May 28, 1915, Father Adam studied for the priesthood at Quigley Preparatory Seminary, St. Mary - of - the - Lake Seminary at Mundelein.

He was ordained to the priesthood on May 2, 1942, at St. Mary-of-the-Lake by

the late Samuel Cardinal Stritch, archbishop of Chicago.

He was appointed assistant pastor at Our Lady of Hungary Church, Chicago, where he served until May 15, 1951.

On May 23, 1951, Father Adam became pastor of St. Stephen's Church in Joliet, where he has since served.

Since 1955, he has been a junior clergy examiner and has been chaplain of Providence High School since 1961.

School Maintenance Staffs Plan Show

Joliet Chapter No. 6 of the National Association of Power Engineers has announced plans for its first annual Tri - County Equipment and Maintenance show and conference, on June 14 in the St. Francis Academy gymnasium, 1200 Larkin Av., Joliet.

This association is made up of members of the maintenance staffs of schools, including those at Lincoln-Way and Providence high schools.

The show and conference is also open to the public, as well as all key personnel in the management and conference fields.

While there is no admission charge for attending the

show, the conference has a pre-show registration fee of \$10 per person. This covers coffee break, lunch and conference papers. A certificate will be awarded those attending.

To insure a seat, those who attend the conference are advised to register as soon as possible thru Larry Berke, 1200 Larkin Av., Joliet, or by calling 815-723-7970.

Suppliers and manufacturers will have display booths of their products. Further information may be had from Larry Berkes.

Committee members working on the show include Berkes and Dwight Johnston, co - chairmen, Edward Kaluzny, Howard Argus and Joseph Smajd. Robert Schultz is honorary chairman.

The National Association of Power Engineers was founded, it was explained, to acquire modern, up to the minute, knowledge of equipment, products and procedures relating to the engineering and maintenance fields to make for safer schools.

ORLAND PARK CONGRATULATIONS AND THANKS

Congratulations to Trustees Tony Kozak, Hank Moorehouse, and Joe Henely.

To the Mayor, the Village Government and to the people of Orland Park, I pledge my continued devotion to the interest of the Village, and my cooperation and their many worthy enterprises.

To the many precinct judges and workers, I want to say that Tuesday was a fine demonstration of democracy in action. We all owe them a vote of gratitude.

To the friends who worked in my behalf, my wholehearted thanks.

To each of you, I say again, that we all have the same goals for our town: Progress, Growth, Prosperity, a good environment to live in, to work in, to grow up in. Everyday is a new opportunity for you to work toward those goals.

Sincerely,

ROY BENSON

Braves And Eagles Will Play Tomorrow

Bremen Braves baseballers are scheduled to meet the Sandburg Eagles tomorrow (April 28) at Sandburg at 4 p.m. The teams tied 0-0 in the nine innings April 12.

Next Monday, May 1, the Eagles play at Rich East at 4 o'clock. On Wednesday, May 3, the Eagles are at Reavis.

A downpour that preceded the tornado last Friday, washed out the Oak Lawn-Sandburg game which was to be played at Sandburg. Coach Cliff Eade said that the game is tentatively rescheduled for Tuesday, May 2.

The Eagles won three games last week, beating Reavis 10-0 on Monday; Rich East 3-2 on Tuesday; and Evergreen Park 5-2 on Wednesday.

Len Gorney pitched seven innings against Evergreen Park. He struck out seven and gave up four hits. Russ Wegner hit a two-run homer and Ron DeHertough smashed a run-scoring double to pace the Eagle's hitting attack.

Steve Horvath pitched six innings against Rich, then Eade called in Don Urbanciz to relieve when Rich knotted the score 2-2. Urbanciz struck out two of the three men he faced. In the

bottom of the seventh, after a walk to Pepper Pettit, a single by DeHertough, and a sacrifice fly, Urbanciz came to bat. "They tried to intentionally walk Don, but he reached for an outside pitch and hit a single that brought Pettit in," Eade beamed.

The day before, Urbanciz had three hits besides striking out nine Reavis batsmen on the way to a 3-hit shut-out.

Rained Out — That's Stagg's Baseball Story

Bad weather played havoc with Stagg High School's baseball schedule last week, with only one game played.

Scheduled this week are games at Providence and with Thornton Fractional South May 2 and May 4.

Two extra innings were necessary before Crete-Monee edged Stagg 1-0. Rod Stanis went all the way for the Chargers, striking out 12, walking none, and giving up four hits. An infield hit off the third baseman's glove, and a single thru the box brought in the run that beat Stanis. Ritzma and Heintz combined for the win. Heintz, who pitched the last two innings, is the pitcher of record.

Stagg got four hits, all singles, by Dave Pytho, Bob Thyer, John Ryan, and Ken Lehugas.

Natural Gas Is Safe, Declares Utility Head

A leading utility company executive today poured cold water on charges that the natural gas industry is unsafe. "As a matter of fact," he said, "natural gas is safer than almost anything else in common use today, many times safer, for example,

than stepladders and bathtubs."

Marvin Chandler, chairman and president of Northern Illinois Gas Company, made the statement in advance of two days of scheduled congressional hearings on a bill to establish federal

safety standards for the natural gas industry.

"The NI-Gas position is that the public interest is best served when regulation of this sort takes place at the state level. State regulatory agencies have a better knowledge of operating conditions peculiar to the specific area, customers' requirements, soil conditions, climate and the like," Chandler stated.

"NI - Gas congratulates and supports the Illinois Commerce Commission on its recent adoption of mandatory safety rules and regulations for gas utilities."

The Commission's rules and regulations make mandatory the provisions of the United States of America Standards Institute Code for Gas Transmission and Distribution Piping Systems. This code, known officially as USASI B31.8, reflects the expertise of technically trained men from many groups, including governmental regulatory agencies. Among others, they represent the Federal Power Commission, state public service commissions, the National Fire Protection Association, the National Board of Fire Underwriters, American Society for Testing Materials, American Society of Mechanical Engineers, American Welding Society and gas and oil industry representatives.

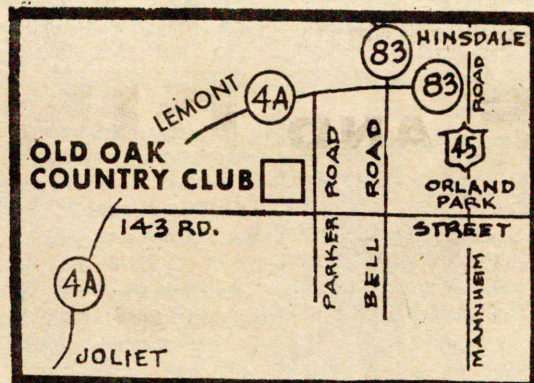

"Northern Illinois Gas Company has been using the code as a minimum standard in all its construction, maintenance and operating activities for many years," Chandler said. "We believe the operation of safe facilities is not only our social responsibility but also the cornerstone of our economic strength. The NI-Gas record for public safety is outstanding. We intend to keep it that way."

Southpaw Golfers To Hold National Tournament At Silver Lake June 4-9

Silver Lake Country Club, 147th St. and 92nd Av., Orland Park, will be the scene of the 32d annual tournament of the National Association of Lefthanded Golfers June 4-9. Arrangements for this southpaw tourney were made by Edward Sprinkle, of

Palos, a former member of the Chicago Bears pro football team and president and chairman of the Illinois division of NALG.

According to Sprinkle approximately 500 players will take part in the tournament. That is one of the reasons why Silver Lake Country Club was chosen for the event as it has two complete 18-hole courses and at the same time can take care of individuals on the Rolling Hill course, a sport 9-hole layout.

The club's new locker room will accommodate 250 persons and there are also ample facilities for players who may go that extra hole -- the 19th.

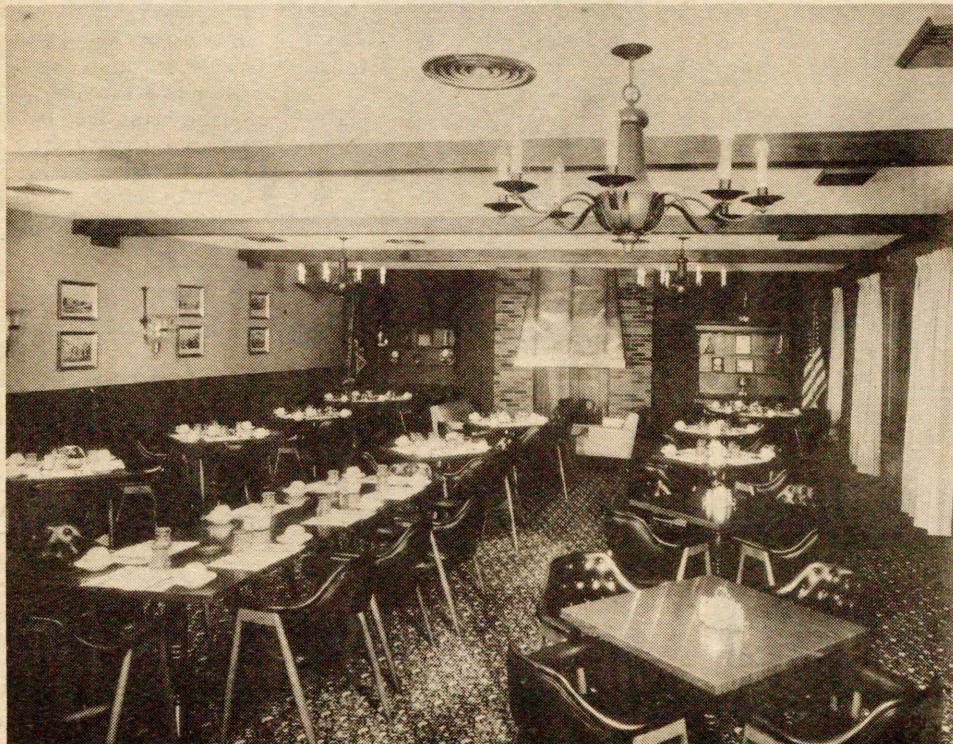

The NALG tournament is a medal play affair in which everyone entered has an opportunity to qualify for one of several flights. In this way it is a scratch tourney, with players very evenly matched, from the top to the lowest echelon.

The first two days, June 4 and 5, will be devoted to practice rounds. Then on June 6 and seven will be the two qualifying rounds of 18-holes each. The score over this 36-hole test will determine in which flight a

player will be placed.

The last two days will be the finish - two 18-hole rounds, to determine the flight champions.

It is expected that the left handers will attract a considerable gallery. Since golf courses are laid out for righthanded players the outside fences are all against the lefthanders who slice. Of course, NALG tourney will bring out the top portside players and these, like their righthanded brethren, only slice and hook when they intend to shoot it that way. But watching a whole string of southpaws perform should be interesting, it was pointed out, because it will be so different.

CLUB ROOM at Silver Lake Country Club where diners may enjoy an excellent cuisine. The club is prepared to accommodate wedding receptions and large parties or small groups.

Confirmation Class To Tour Colleges

MRS. KATHERINE HEISNER
Telephone: 469-5187

The confirmation class of the Frankfort Methodist will go on a tour on Sunday afternoon, May 7, to Chicago, to the Northwestern University, Garrett Theological Seminary and Kendall College, all in Evanston. Later they will go to the Chicago Temple and attend the worship service there.

The PTA Executive Board meeting of the local grade school, will be held at the local grade school on Wednesday morning, May 3, at 9 a.m. Mrs. Richard Goetsch will have charge of the business meeting.

A roast beef dinner will be served by the Womens Fellowship of the St. Peter's church on Thursday, April 27, from 5 to 7 p.m., which is open to the public. Hostesses are Mrs. Burnett Schram and Mrs. Ralph Nieland. Co-chairman of the kitchen are Mrs. Edward Beiz and Mrs. George Kratzberg.

Mrs. Rose Ritt, formerly of this vicinity and who has been making her home with her daughter, Mr. and Mrs. Jack Kaufmann in Honolulu, Hawaii, arrived last Sunday at the home of her son and family, Mr. and Mrs. W.G. Ritt for a visit. She will remain here visiting with relatives and friends throughout the summer months.

Lori Ann was the name given the infant daughter of Mr. and Mrs. Henry C. Houchens of Arbury Hills, when she was baptized in the Frankfort Methodist Church during the Sunday morning worship service by the Rev. Charles Kepler.

The Ladies Circle of the Good Shepherd Lutheran Church will hold their next meeting, Tuesday, May 2, beginning at 1 p.m. Mrs. Wilbert Klier will be in charge of the business meeting. The Rev. Erwin Baumgartner is the devotional chairman. Hostesses are Mrs. Frederick Uthe and Mrs. Albert Toebck.

Since many people of Frankfort perhaps do not realize that the public library has a large selection of adult books, we would like to invite them to visit us and see what is available. We have purchases some fairly recent fiction, including "Something of Value", "Up the Down Staircase", "Ship of Fools", "In Cold Blood", etc. In addition we have cook books, gardening books, and works on practically every adult subject.

We would like to thank Mrs. George Bissell of Lincoln Estates for donating some adult mystery books which are available for the mystery fan. For the sports fan we have a subscription to "Sports Illustrated." Unfortunately the name of the donor is not known to us, and if he would notify us, he would be properly thanked. Our present hours are: Thursday 3-6 and Saturday 10-2.

12 Grads Make Honors List

Twelve graduates of Carl Sandburg High School will be listed in the printed program for the University of Illinois' Honors Day Convocation, May 5.

The 43rd annual convocation, will be in the University Assembly Hall at 1:15. It will be broadcast over the University radio station WILL (580 kilocycles).

The ex-Sandburg students qualified by being on the semester deans' list for all semesters. The twelve honored scholars are Roy Butera, Robert Ingram, Robert Janeck, David Kartman, James Lebloch, Carol Link, James Meeder, Robert Miller, Kenneth Musil, Garry O'Hara, James Stevens, and Susan Wilson.

Their names will be printed in the Honors Day Book and also this distinction will be recorded on their permanent university record. Richard R. Marsh, chairman of the event announced.

ALLAN LAWSON, Commander of Wm. Martin Post, Veterans of Foreign Wars, Mokena, presents a U.S. flag to Sacred Heart High School, Mokena. Accepting the flag is Mother M. Addelline, principal of the school. On hand to represent the students are Kathy Keutzen and Nancy Bernardin, president and vice president, respectively, of the Student Council.

AMONG THE 100 Future Teachers of America at Lincoln-Way High School are Valerie Tuttle, left and Shirley Stokes, both of Mokena.

The two were honored at the state convention held at Richwoods High School, Peoria, by having their poems selected as winners in the poetry contest held in conjunction with the convention.

Valerie won first place for her poem "To Teach Mankind", and Shirley received third place for her poem "The Teacher".

Berlin Band Big Hit

A standing ovation from an appreciative audience of Carl Sandburg students was one of the rewards the Berlin, Wis. band has to remember about their visit.

Playing a varied program at an afternoon assembly, the 85-piece band found the Sandburg student body and faculty "very receptive" to their music, Milton Potter, Sandburg band director reported.

Directed by Harlan Adams, Berlin played numbers like "Dixieland Jamboree," "Festival Prelude," "Brass Aflame," and "Little English Girl."

Friday evening, the visitors joined with Sandburg music students for activities at the high school. They enjoyed the swimming pool, sports in the gym, and a dance which featured a local rock 'n roll group, "Five of a Kind," as well as the Sandburg dance band.

Now Teams Take Numbers For Names

In the Mokena Basketball League the four teams are numbered instead of named. Following games of last Saturday No. 3 was in first place after dusting off No. 1, 60 to 40. No. 4, which beat No. 2, 59-47, is in second place, No. 2 in third and No. 1 is on the bottom.

In the game between No. 1 and No. 3 four of the No. 3 team scored in double figures, Guy Wolfgang counted 18 points; Ken Warning, 16; Bob Sorensen, and John Sluis had 12 each. Lyle Koenig with No. 1 also scored 18 points.

In the other game Ken Raisen, on No. 4, scored 31 points. Team 2's Bob Hearn bagged 21 points and Dave Ebert 16.

The league will complete its season in another week.

ARLENE LAUFFER -- Mr. and Mrs. Clarence Lauffer, 183rd St., Tinley Park, announce the engagement and forthcoming marriage of their daughter, Arlene, to Walter Switalski, son of Mr. and Mrs. Chester Switalski of Summit, Ill.

Miss Lauffer is a graduate of L-W High school and Western Illinois University, Macomb. She is presently employed at the Stronghurst Ill. Elementary School, as a sixth grade teacher.

Mr. Switalski is a graduate of Argo High School and also a graduate of Western Illinois University. He is presently employed at Northwestern High School at Sciota, Ill.

The couple will be married on June 17 in St. George's Catholic Church, Tinley Park, in a 4 p.m. ceremony. (Behne photo)

FAIR WARNING is given motorists coming up behind this load of hay to use care in passing -- a rather neat use of a sign usually seen on highways. Necessary too -- because one can't see thru a load of hay and only a giraffe could see around one. Darrell Erickson, Wolf Rd., Orland Township, is driving the tractor hauling this load and is the one who thought of making use of such a sign in this manner -- and just in case you are wondering where he got it, he bought it. (Graphic Newspapers photo)

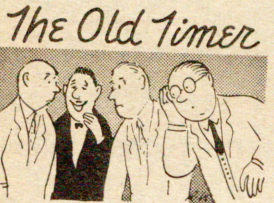

Wish I'd Said THAT

"A mustard seed is very small, but it looms up like a Himalayan peak when placed by the side of some minds." Samuel Harden Stille, The Wellington (Ohio) Enterprise.

Best way to carve a tombstone is to chisel in traffic. William Chaffee, The Walnut (Iowa) Bureau.

"Politicians wouldn't be so cocky if they only realized that today's president is tomorrow's six-cent stamp."—Fred W. Grown, The Bergen (N. J.) Citizen.

8-Card Of Thanks
CARD OF THANKS
To all who were so kind and thoughtful upon the death of our father Charles Butzer, a sincere thank you.
The M. Butzer Family.

CARD OF THANKS
I would like to thank all my relatives and friends for their visits, and get well cards while I was a patient at Silver Cross Hospital. Also to Rev. Brethman and Rev. Schaller for their visits and prayers. And a special thanks to the Lemont Fire Department for their quick and helpful services.
Gust Bahnick

CARD OF THANKS
It is impossible for us to express in words our heartfelt thanks for the wonderful way in which friends, neighbors and relatives came to our assistance during the illness and at the death of our beloved wife and mother. May we also express heartfelt thanks for the floral offerings and spiritual bouquets received and the contributions of food brought into our home by good neighbors and friends.

99-Automobiles For Sale**99-Automobiles For Sale**\$1639⁰⁰

What's the catch?
There isn't any.
\$1639 is the suggested retail price at the port
of entry for the VW Sedan.
The price includes federal excise tax and im-
port duty.
It includes the built-in heater/defroster, wind-
shield washer, electric windshield wipers and dual
padded sun visors.
It's the price of the real thing; not a stripped-down
economy model.
What else do you have to pay?
The charge for transporting the car from the
port of entry. The dealer delivery charge.
And local sales tax.
There is one optional that makes a lot of sense:
the matching leatherette upholstery, for \$30.00 extra.
Nearly everyone orders it because it eliminates the
need for slip covers. And that's it.
(Unless, of course, you count the cost of gas and
oil it takes you to get here in your present car.)

Brownies Hold Guest Day Meet Possible Newcomers

MRS. EMIL WILLE Telephone: 469-5277 Brownie Troop #376 held a guest day on April 13, from 3:30 - 4:30 p.m. at the regular meeting. Thirteen girls from the first, second

and third grades of the Ann Rutledge school were invited. The regular business meeting was held. After the meeting, the girls made name tags and enjoyed re-

freshments, games, songs and dances. The Brownies and their leaders had a chance to meet the girls that may join the troop #376 next September. Guests were Patty Hauser, Bonnie

Harms, Cindy Rucker, Rosie Fields, Kathy Chedister, Joyce Rinkenberger, Linda Robertson, Diane Castens, Sandra Blevins, Sheila Heiss, Shirley Chastain, Holly Griffin and Shirley

Scholl. Shirley School is a new registered Brownie. Troop #376 is making plans to go on a trip on May 6 to the Model Farm in Palos Park, along with many more

Brownies from the Trailways Girl Scout Council area. On the way home after the bus ride, weather permitting troop #376 will stop for a picnic at the Van Horn Woods.

Mrs. Robert Wheeler spent a week at DeKalb. She visited with Mr. and Mrs. Dave Schuelke and daughter Susan and Mr. and Mrs. Randy Wheeler.

Mr. and Mrs. Marion Ashbey and son of Chariton Iowa visited with Mr. and Mrs. Robert White over the weekend.

Mr. and Mrs. Emereth Boyden attended a Theater party at The Martinique in Chicago recently. They saw "Holiday For Lovers" starring Mr. and Mrs. Pat O'Brien.

The Lincoln Estates Athletic Club will hold a Rummage Sale on June 9 and 10. Let us help you do your spring cleaning. We are interested in good reusable items. For rummage pick-up please call: Tom Fordonski, 469-5005; Bill Frankenberg, 469-2277 or Russ Clark, 479-9456.

Mr. and Mrs. George Kaehler attended a get together of their card club Friday night at the home of Mr. and Mrs. Al Ropes of Tinley Park.

Gregory Lingo, eleven year old son of Mr. and Mrs. Raymond Lorden has returned from the St. James Hospital where he was a patient for a week after being injured in an accident with his bicycle and an automobile. Gregory is a sixth grade pupil at The Ann Rutledge school.

Mr. and Mrs. Wm. Frankenberg and daughters attended the play "The Red House Mystery" Sunday evening at the Matteson Public School. The play was put on by the Matteson Lions Club.

The board of education of the Ann Rutledge school held their organizational meeting Wednesday, April 12. Mr. Glenn Coburn was elected president. Mrs. George Kaehler was hired as secretary. The meetings are held the second Wednesday of the month. On Wednesday evening, April 19, the members and their wives attended the eighteenth annual banquet which was held at the Joliet East High school. Those attending from the Ann Rutledge school were Mr. and Mrs. Robert Anderson, Mrs. Frances Feely, Mr. and Mrs. Charles Jones, Mr. and Mrs. Charles Scheeler, Mr. and Mrs. Cal Heath Jr., Mr. and Mrs. Don Schofield, Mr. and Mrs. Calmer Oas, Mr. and Mrs. Elwood Zitter, Mr. and Mrs. Glenn Coburn and Mr. and Mrs. Robert White. The guest speaker was Mr. Norman Ross, radio commentator and world traveler.

New Touch-Tone® service the fastest, easiest way to phone

Available in the Palos-Orland-Worth area

TOUCH-TONE calling is push-button phoning, modern, fast, and easy.

What's more, telephones for this exciting new service come in five custom-designed models.

There's the sculptured TRIMLINE® telephone—in either desk or wall model—with the dial that comes to you. Since the dial is in the receiver, a TRIMLINE

phone installs in the most convenient places.

There's also the regular desk set, the convenient wall phone, or the graceful PRINCESS® telephone.

Whichever you choose, you'll complement convenience with style.

If your phone number begins with 448, 349, GI 8, or FI 9, you can order TOUCH-TONE service now. For information on TOUCH-TONE phones—including styles, colors and costs, just call your Illinois Bell Service Representative at 349-9981.
